DETAILED ACTION

Allowable Subject Matter

Claims 1 – 16 are allowed.

With respect to claims 17 – 19, the examiner maintains the rejection as shown in the prior Office Action dated 04/28/2009.

In addition, claim 17 is different in scope than claim 1. There are limitations in claim 1 that are not found in claim 17, for example, a status discriminator, among other limitations. Additionally, applicant claims limitations found in claim 17 that are not found in claim 1, for example, master telephone, among other limitations.

Applicant can either bring the claims within the same scope or applicant can cancel claims 17 - 19. Applicant is reminded that applicant is entitled only to one invention per patent.

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of
